

DIG THE FALLS

Family-Friendly Waterfall Hikes in the Adirondacks guide now available!

John Haywood has published the new waterfall guide for the Adirondacks that is a compilation of shorter and easier-to-get-to waterfalls; Family-Friendly Waterfall Hikes in the Adirondacks!

A variety of short walks and roadside waterfalls that are sure to become a family favorite as many fans of Dig The Falls have asked about just that. Now, they're all available in one, no-frills guide, with not only easy-to-read directions, but access to an interactive map for directions as well! All you have to do is scan the code, save the directions to your destination(s) of choice, and hit the road!
