

Hikes 4 Tykes - A challenge specifically for the little ones!!

If you're like us, you have at least one little hiker in your crew, or you really want to get them started with hiking. What better way than showing them some really great mountains, while also working toward earning a patch!?

Dig The Falls is proud to partner with Hikes 4 Tykes, which is a challenge for kids that includes 4 mountains in and around the Adirondacks.

Check out their site and get your little one's started as early as possible!! We will have Charlotte Grace (4 yo), Connor (2 yo) and Jackson (2 yo) all out this summer. Hopefully we will be able to complete all 4 this season!!

Mountains

Pilot Knob Ridge

Mt. Jo

Shelving Rock Mountain

Poke-O-Moonshine

We will try to update this blog when we visit each of these locations!!
